Cobalt 27 to Attend BMO Capital Markets 27th Global Metals & Mining Conference

Toronto, Ontario - February 20, 2018 - Cobalt 27 Capital Corp. ("Cobalt 27" or the "Company") (TSXV: **KBLT**)(FRA: **27O**) announced today that Anthony Milewski, Chairman and Chief Executive Officer, will be presenting on Tuesday, February 27, 2018 at 11:45 am ET at the BMO Capital Markets 27th Global Metals and Mining Conference, to be held in Hollywood, Florida.

The presentation, part of BMO's expanded New Age Metals Stream, will provide an overview of the battery revolution and how global battery consumption is driving demand for cobalt. The presentation will be available on Cobalt 27's website at: www.co27.com.

About Cobalt 27 Capital Corp.

Cobalt 27 Capital Corp. is a minerals company that offers pure-play exposure to cobalt, an integral element in key technologies of the electric vehicle and battery energy storage markets. The Company owns 2,982 Mt of physical cobalt and manages a portfolio of 7 cobalt royalties. The Company intends to continue investing in a cobalt-focused portfolio of streams, royalties and direct interests in mineral properties containing cobalt, while potentially adding to its cobalt physical holdings when opportunities arise.
